PART IV	The Dictionary	125
	Genus ROSA	
	Subgenus I	
	HULTHEMIA (Simplicifoliae) 127	
	<i>H. persica</i> , × <i>Hulthemosa hardii</i> 129	
	Subgenus II	
	ROSA (Eurosa)	
	Section I PIMPINELLIFOLIAE	
	<i>R. ecae</i> , forms and hybrids 133	131

- R. foetida*, (Austrian Briars) forms and hybrids; *R. × hemisphaerica* 134
R. hugonis, forms and hybrids; *R. × involuta*; *R. koreana* 137
R. pimpinellifolia (Burnet Roses), forms and hybrids; *R. × hibernica* 139
R. primula; *R. × pteragonis*; *R. × reversa*; *R. sabinii*; *R. sericea*, forms and hybrids 146
R. xanthina and hybrid 147

Section II GALLICANAE

149

- R. gallica* (Gallica Roses), forms and hybrids 151
R. × centifolia (Cabbage or Provence Roses), forms and hybrids 167
R. × centifolia muscosa (Moss Roses), forms and hybrids 172
R. × damascena (Damask Roses), forms and hybrids 184
Portland Roses 190
R. macrantha, forms and hybrids 195
R. richardii 196

Section III CANINAE

197

- R. agrestis*; *R. × alba* (Alba Roses), forms and hybrids 199
R. biebersteinii; *R. britzensis* 202
R. canina (Dog Roses), forms and hybrids 203
R. × collina; *R. corymbifera*; *R. dumales*; *R. eglanteria* (Sweet Briar), forms and hybrids 204
R. glauca, forms and hybrids 208
R. inodora; *R. jundzillii*; *R. micrantha*; *R. mollis*; *R. orientalis*; *R. pulverulenta*; *R. serafinii*; *R. sherardii*; *R. sicula*; *R. stylosa* 209
R. tomentosa; *R. villosa*; *R. waitziana* 210

Section IV CAROLINAE

211

- R. carolinae*, forms and hybrids, *R. foliolosa*; *R. × kochiana*; *R. × mariae graebnerae* 213
R. nitida; *R. palustris* 214
R. virginiana, forms and hybrids 215

Section V CASSIORHODON

217

- R. acicularis*; *R. amblyotis*; *R. arkansana*; *R. banksiopsis*; *R. beggeriana*; *R. bella*; *R. blanda* 219
R. californica 220
R. caudata; *R. coriifolia*; *R. × coryana*; *R. corymbulosa*; *R. davidii*; *R. davurica*; *R. farreri persetosae*; *R. fedtschenkoana* 221
R. forrestiana; *R. gymnocarpa*; *R. hemsleyana*; *R. kamtchatica* 222
R. kordesii, forms and hybrids 223
R. × lheriteriana (The Boursault Roses) 225
R. macrophylla, forms and hybrids 227
R. majalis 228
R. marretii; *R. maximowicziana*; *R. melina*; *R. × micrugosa*; *R. mohavensis* 229
R. moysesii, forms and hybrids 231
R. fargesii; *R. holodonta* 232
R. multibracteata, forms and hybrids 235
R. murielae 236
R. nutkana, forms and hybrids 237
R. × paulii; *R. pendulina*; *R. piscocarpa*; *R. prattii*; *R. pyrifera* 238
R. rugosa (Japanese Roses), forms and hybrids 239
R. sertata; *R. setipoda*; *R. spaldingii*; *R. suffulta* 249
R. sweginzowii macrocarpa; *R. ultramontana*; *R. wardii*; *R. webbiana*; *R. willmottiae*; *R. woodsii fendleri* 250

Section VI SYNSTYLAE

251

- R. anemoneflora*; *R. arvensis*, forms and hybrids 253
R. brunonii and hybrid; *R. × dupontii* 255
R. filipes and hybrids 256
R. gentiliana; *R. helenae* and hybrid; *R. henryi*; *R. longicuspis*;
R. luciae 257
R. moschata, (Musk Roses), forms and hybrids 258
R. mulliganii; *R. multiflora*, forms and hybrids 262
Hybrid Musks 263
Multiflora Ramblers 271
Modern Climbing Roses 276
Modern Shrub Roses 285
Polyantha Roses 296
Floribunda (Cluster-Flowered) Roses 299
Cluster Flowered Roses as Climbers 306
Procumbent and semi-procumbent roses 307
R. phoenicia; *R. × polliniana*; *R. rubus*; *R. sempervirens*, forms and hybrids 311
R. setigera, forms and hybrids 313
R. sinowilsonii and hybrid; *R. soulieana*, forms and hybrids 314
R. wichuraiana, forms and hybrids 315

Section VII CHINENSIS

323

- R. chinensis* (China Roses), forms and hybrids 325
R. × borboniana (Bourbon Roses), forms and hybrids 333
Bourbon Roses as Climbers 342
Noisette Roses 344
Tea Roses 349
Hybrid Perpetual Roses 360
Hybrid Teas (Large-Flowered Roses) 379
Climbing Hybrid Teas 385
R. gigantea, forms and hybrids 396

Section VIII BANKSIANAE

397

- R. banksiae*, forms and hybrids 399
R. × fortuniana 400

Section IX LAEVIGATAE

401

- R. laevigata*, forms and hybrids 403

Section X BRACTEATA

405

- R. bracteata* and hybrid 407

Subgenus III PLATYRHODON

409

- R. roxburghii* 411

Subgenus IV HESPERHODOS

413

- R. stellata*; *R. stellata mirifica* 415
