

# *Contents*

1	Climate and Limitations of Form	1
---	---------------------------------	---

## *Part One / Patterns of Adaptation along Gradients*

2	Shelled Gastropods	25
3	Bivalves	66
4	Sessile Organisms	85

## *Part Two / Interoceanic Patterns of Adaptation*

5	Predation and Grazing	113
6	Relation to Present-Day Conditions	149

## *Part Three / Geography and Evolution*

7	Extinction and Speciation	169
8	Patterns of Biotic History	206
9	Barriers and Biotic Exchange	242
	Appendix	269
	References	279
	Index	322
