

CONTENTS

<i>Preface</i>	v
1. Polymer Structure and Stability	1
2. Thermal Stabilisation of Polymers	22
3. Introductory Photochemistry and Photochemical Reactions	52
4. Photodegradation and Photooxidation of Polymers	75
5. Photostabilisation of Polymers	102
6. Photodegradable Polymers	131
7. Effects of Dyes and Pigments	149
8. Lightfastness of Dyes and Pigments	176
<i>Index</i>	194
