

## CONTENTS

<b>Foreword</b>	<b>v</b>
<b>1. Introduction</b>	<b>1</b>
1.1 General background	1
1.2 Importance of jute and the necessity for increased yield and quality	1
1.3 Origin, taxonomy and cytogenetics of jute species	2
<b>2. Herbarium studies</b>	<b>5</b>
2.1 Herbaria visited and résumé of material represented	5
2.2 Data recorded	6
<b>3. Results of herbarium survey</b>	<b>7</b>
3.1 Progression of work	7
3.2 Diagnostic characters	7
3.3 General conclusions on African <i>Corchorus</i> species	8
<b>4. Tropical East Africa</b>	<b>15</b>
4.1 Summary of material presented	15
4.2 <i>Corchorus</i> L.	15
4.3 Key to flowering and non-fruiting material	17
4.4 Key to fruiting material	20
4.5 Enumeration of the species	21
4.6 Conclusions reached on the use of <i>Corchorus</i> species found in East Africa in future jute breeding programmes	41
<b>5. Africa (excluding Kenya, Tanzania and Uganda)</b>	<b>45</b>
5.1 Summary of material presented	45
5.2 Key to <i>Corchorus</i> species found in Ethiopia	47

5.3	Key to <i>Corchorus</i> species found in southern Africa	48
5.4	Key to <i>Corchorus</i> species found in Botswana, Malawi, Mozambique, Zambia and Zimbabwe	49
5.5.	Enumeration of the species	52
5.6	Conclusions reached on the use of African <i>Corchorus</i> species in future jute breeding programmes	93
6.	<b>Collecting expeditions proposed on the basis of this herbarium survey</b>	99
6.1	General recommendations	99
6.2	East Africa	99
7.	<b>Acknowledgements</b>	105
8.	<b>References</b>	107
9.	<b>Appendices</b>	109
	<i>Appendix I.</i> Conspectus of African <i>Corchorus</i> species and synonyms	109
	<i>Appendix II.</i> Former names of African countries	115
	<i>Appendix III.</i> Label data extracted from <i>Corchorus</i> herbarium specimens	117
	A. East Africa (Kenya, Tanzania, Uganda)	117
	B. Africa (excluding Kenya, Tanzania and Uganda)	160
	<i>Appendix IV.</i> Distribution maps of <i>Corchorus</i> species in tropical East Africa (Figs 4-11 and Table 2)	265
	<i>Appendix V.</i> Distribution maps of <i>Corchorus</i> species in Africa (excluding tropical East Africa) (Figs 12-20)	275
