

Reflex stimulation and inhibition of vasodilators in sympathectomized animals N. E. Freeman y A. Rosenblueth	145
A further study of vasodilators in sympathectomized animals A. Rosenblueth y W. B. Cannon	155
Central excitation and inhibition in reflex changes of heart rate A. Rosenblueth	165
Reflex responses of the nictitating membrane A. Rosenblueth y H. G. Schwartz	177
Some afferent nerves producing reflex responses of the nictitating membrane G. H. Acheson, A. Rosenblueth y P. F. Partington	185
A further study of reflex changes of blood pressure in completely sympathectomized animals J. O. Pinkston, P. F. Partington y A. Rosenblueth	195
Some circulatory phenomena disclosed by ergotoxine A. Rosenblueth y W. B. Cannon	205
Electric responses in the submaxillary gland A. Rosenblueth, A. Forbes y E. Lambert	215
L'excitabilité électrique de la surrénale dénervée W. B. Cannon y A. Rosenblueth	225
The electric stimulation of the concentrating (adrenergic) and the dispersing (cholinergic) nerve- fibres of the melanophores in the catfish G. H. Parker y A. Rosenblueth	227
The sensitization of vascular response to "Sympathin" by cocaine and the quantitation of "Sympathin" in terms of adrenalin A. Rosenblueth y T. Schlossberg	235
The sensitization by cocaine of gastric and uterine smooth muscle to the inhibitory action of the adrenin A. Rosenblueth	245

Studies on conditions of activity in endocrine organs. XXXVIII. Some effects of sympathin on the nictitating membrane A. Rosenblueth y W. B. Cannon	253
The action of certain drugs on the nictitating membrane A. Rosenblueth	263
The innervation and functions of the nictitating membrane in the cat A. Rosenblueth y Ph. Bard	267
The mode of action of adrenin and the quantitation of adrenin by biological methods A. Rosenblueth	275
The chemical mediation of autonomic nervous impulses as evidenced by summation of responses A. Rosenblueth	293
Sympathin and the hepatic sympathomimetic hormone in the dog A. Rosenblueth y R. A. Phillips	321
Studies on conditions of activity in endocrine organs. XXIX. Sympathin E. and Sympathin I W. B. Cannon and A. Rosenblueth	325
Temporal and spatial summation in autonomic systems A. Rosenblueth y D. McK. Rioch	343
The action of calcium and potassium ions on the nictitating membrane, the adrenal medulla and the non-pregnant uterus of the cat Z. M. Bacq y A. Rosenblueth	359
The role of the autonomic nervous system in the anaphylactic smooth muscle contraction C. V. Seastone, Jr. y A. Rosenblueth	363
Direct electrical stimulation of denervated autonomic effectors A. Rosenblueth y W. B. Cannon	369
