

CONTENTS

Preface

List of Contributors

ix

The Use and Abuse of Thermal Methods of Stability
Assessment
R. H. STILL

The Application of Thermal Volatilisation Analysis to Studies
of Polymer Degradation 43
I. C. MCNEILL

3 The Effects of Photo-Degradation and Photo-Oxidative De-
gradation on the Dielectric Properties of Polystyrene . . . 67
N. A. WEIR

The Application of ESCA to Polymer Degradation 87
D. T. CLARK, A. DILKS and H. R. THOMAS

5. The Pyrolysis of Acrylonitrile Homopolymers and
Copolymers . 137
N. GRASSIE

6. The Thermal Degradation of Polymer Blends 171
I. C. MCNEILL

The Role of Peroxides in the Photo-Degradation of Polymers 205
G. SCOTT

8. Reactions of Singlet Oxygen with Polymers J. R. MACCALLUM	237
9. The Weathering of Polymers A. DAVIS	249
<i>Index</i>	279
