

## CONTENTS

Abstract .....	7
Resumen .....	8
Resumo .....	10
Zusammenfassung .....	12
Acknowledgments .....	15
1. Introduction .....	17
Introduction to the Species .....	18
Approach and Aims of the Study .....	20
Study Site and Climate .....	22
The Primates of Lake Guri .....	24
General Methodology .....	24
2. Habitat .....	27
Introduction .....	27
Floristic Composition .....	27
Methods .....	27
Results .....	29
Plant Phenology .....	40
Methods .....	40
Results .....	41
Discussion .....	44
3. Feeding Behavior .....	50
Introduction .....	50
Methods .....	50
Results .....	52
Dietary Composition - Plant Resources .....	52
Dietary Composition - Animal Resources .....	62
Monthly Variation in Feeding Behavior .....	63
Potential Food Competitors .....	74
Discussion .....	78
4. Activity Budget .....	85
Introduction .....	85
Methods .....	85
Results .....	87
Discussion .....	98
5. Ranging Behavior .....	104
Introduction .....	104
Methods .....	104
Results .....	105
Habitat Use .....	105
Movement .....	113
Effects of Food Choice on Ranging Behavior .....	118
Discussion .....	119

6. Social Behavior and Organization .....	124
Introduction .....	124
Methods .....	124
Results .....	125
Social Interactions .....	125
Predator Avoidance .....	139
Infant Development .....	139
Discussion .....	140
References .....	147
Appendices .....	158
Index .....	167
